In everything Gandhi did, moreover, he tried to mould a new free Indian who could stand on his own feet and thus make India free. Early in the Champaran action, Charles Freer Andrews, the English pacifist who had become a devoted follower of the Mahatma, came to bid Gandhi farewell before going on a tour of duty to the Fiji Islands. Gandhi's lawyer friends thought it would be a good idea for Andrews to stay in Champaran and help them. Andrews was willing if Gandhi agreed. But Gandhi was vehemently opposed. ✦ **Read the following passage and answer the questions given below : [5]**

Soaked in the ethos of universal welfare, the Bhagavad Gita stands as a remarkable gift of Indian culture! What sets this book apart is its ability to impart profound wisdom succinctly. She enriches our minds with boundless waves of joy, tranquility, and love. Through its simple and clear exposition, the book renders access of the profound insights of Vedant to the ordinary populace. It is "वासुदेवः सर्वम् इति ॥"

वासं करोति इति वासुदेवः । Means one who dwells in everything is Vasudev! Though the world presents itself in diverse forms, the underlying essence remains one the Divine; and though the Almighty is one, He manifests Himself in different forms. Just as shapes and colours of balloons may be different, the air filled in it is the same. The Supreme Soul dwells in everybody.

1. What makes the Bhagavad Gita a remarkable gift of Indian culture?
2. What does the phrase "वासुदेवः सर्वम् इति" signify in the Bhagavad Gita?

Question-answer is the best way in knowledge tradition. Eligibility of the knowledge seeker is expected. It's emphasized here that one acquires knowledge by serving the guru wisely, winning his grace and then seeking answers. This is how Arjun submits himself to Lord Krishna demonstrating surrender:

यच्छ्रेयः स्यान्निश्चितं ब्रूहि तन्मे ।
शिष्यस्तेऽहं शाधि मां त्वां प्रपन्नम् ।।

(Meaning: my Lord, tell me what is specific for my spiritual welfare, for I am your disciple. I have submitted myself to you. Please, direct me.) This has been amazing Indian guru-shishya (master-disciple) tradition. This is the relationship where we witness the endeavour to procure knowledge with selfless, undoubtable and pure heart. That is why guru has been described as the ultimate divine himself. गुरुः साक्षात् परब्रह्म ।

History bears witness that revered figures have attained knowledge at guru's feet. Shri Ram acquired knowledge in proximity of Vishwamitra and Shree Krishna in proximity of guru Sandipani. Rushi Matang was guru of Shabari and Saint Raidas was guru of Mirabai. In the Guru-Shishya tradition, students approach their gurus with curiosity and humility, eager to gain knowledge. The guru provides knowledge to those who whole-heartedly surrender themselves in the pursuit of knowledge. Therefore, showing respect to the teacher and practicing their teachings in life is considered a form of service.

3. How does Arjun demonstrate surrender in the Bhagavad Gita?
4. Why is the guru regarded as divine in Indian tradition?
5. What role does the Guru-Shishya tradition play in knowledge acquisition?

65. Prepare notes for the following passage :

It is rare to find someone with a good technical and communication skills. You can get far ahead of your colleagues if you combine the two early in your career.

People will judge, evaluate, promote or block you based on your communication skills. Since habits form by repeating both good and bad forms of communication, learn to observe great communicators and adopt their styles and traits – in written and verbal forms. The art of listening and learning from each and every interaction, is another secret recipe.

Develop the subconscious habit of listening to yourself as you speak and know when to pause. Learning what not to Say is probably more important than learning what to say. AS your career develops, you will realize that the wise speak less. Speak when you have value to add, else refrain. Poorly constructed e - mails with grammatical errors are acceptable between friends, but they should be seriously avoided with communicating formally with your seniors. Avoid any communication in an emotional state when you might say things you will regret later. One unnecessary word uttered at the wrong time or place can ruin a relationship, career or even your life. Such is the power of words. If such a

thing happens, you should immediately apologise, else it may haunt you for life.

(Meaning: O Bharat, whenever there is a decline of Dharma, and uprising of Adharma, then I incarnate Myself, i.e. take a form before the people. For the protection of the good, people and also for the destruction of the wicked, for the establishment of Dharma, I incarnate myself in every era In the Puranas, there are descriptions of Vishnu's various avatars, including Matsy (in the form of a fish), Kurm (in the form of a tortoise), Varah (in the form of a boar), Narasimha (in the form of half lion and half human body), Vaman (dwarf), Parashuram, Ram, Krishna, Buddha, and Kalki. These divine incarnations serve to protect the righteous and restore dharma. From these ten avatars, we can infer that God offers suitable solutions by taking on a befitting form based on the prevailing issues. God consistently stands by those who perform noble deeds. When we engage wholeheartedly in virtuous actions, God assists us; and the divine power manifests himself in a new form to support the noble people.

Study the following data and interpret it in six to seven sentences.

At the outset let us put this question to Nature around us. All the "books in running brooks and sermons in stones" preach with unmistakable accent the gospel of continuous, incessant work. Light bestows upon us the Power of sight. Light gives a Mainspring to alt beings. Let us see what light is thrown on the question by light itself. Rama will take for illustration the ordinary light—the lamp. The underlying secret of a lamp's lustre and Splendour is that it spares not its wick and oil. The wick and oil or the little self is being constantly consumed and glory is the natural consequence. There it is, the lamp Says, spare yourself and you will be immediately extinguished. If you seek ease and comfort for your bodies and waste your time in sensual pleasures and luxury, there is no hope for you. Inactivity, in other words, would bring death to you, and activity and activity alone is life. Look at the stagnant pond and the running stream.

The crystal water of the rustling river is ever fresh, clear, drinkable and attractive. But on the other hand see how disgusting, odorous, filthy, dirty, stinking and stenching is the water of the stagnant pond. If you wish to succeed, follow the line of action, the constant motion of a river. There is no hope for a man who would waste his wick and oil by preserving it from consumption. Follow the policy of a river, ever Progressing, ever assimilating, ever adapting itself to the environments and ever Performing work, ever performing work is the first principle of success

સંવેદનશીલ વ્યક્તિનું હૃદય અન્યો માટે કુસુમ જેવું કોમલ અને પોતાને માટે વજ જેવુ કઠોર હોય છે. હૃદયની વાત હૃદયથી સાંભળી શકાય, કાનથી નહિ. પ્રાણીમાત્ર પ્રત્યેની સંવેદના હિદુસ્તાનની ધરતીની મહેક છે. એટલે જ અહીના લોકો કિડીને કણ અને હાથીને મણ નાખવા જાય છે. અહીંના ચબૂતરા પર ચણ ચણતા પક્ષીઓ અહીંની સંવેદના સંદેશાવાહક છે. આ સંવેદનાના પ્રવાહમાં વહીને જ રવિશંકર મહારાજ અને ઠક્કરબાપા જેવાઓએ વગડે-વગડે ફરીને લોકોના આંસુ. આંસુ તો ચલચિત્ર જોતાંય ખરી પડે છે. ચલચિત્ર એ વાસ્તવિકતા નથી છતા સંવેદના જગાડવાની શક્તિ અભિનય અને સંવાદમાં છે. હૃદય દ્રવી ઊઠે ત્યારે આંસુ બનીને સારી પડતી સંવેદના નક્કર રૂપ ધારણ કરે તો તે કર્મશીલતામાં પરિણમે છે. અખિલ જીવનમાં જેને કડી આંસુ સાર્યા નથી એણે જીવનને કદી પ્રેમ કર્યો નથી.

પ્રશ્નો:

(1) સંવેદનશીલ વ્યક્તિનું હૃદય કેવું હોય છે ? શા માટે ?
(2) હિન્દુસ્તાનની ધરતીની મહેક શેમાં છે? સંવેદનાન સંદેશાવાહક કોણ છે ?
(3) કોને લોકોના આંસુ સાર્યા છે ?
(4) ચલચિત્ર વિશેષતા શેમાં છે ?
(5) ગદ્યખંડને યોગ્ય શીર્ષક આપો.

✦ આપેલા ગદ્યખંડને 1/3 ભાગમાં ગુજરાતીમાં સંક્ષેપ કરો. [5]

65. Global warming is a serious threat to earth. Causing many harmful effect on the environment and the ozone layer (which protect earth from harmful sum rays). The first reason for global warming is deforestation. Many trees get cut. They clean the air. To reduce the effect of global warming, people that cut trees should replant new trees instead to maintain balance. The second reason for global warming is garbages. Too much packages around thing we buy and too many plastic bags cause global warming. We must reduce the things we buy recycle the garbage we make and not use so much things. The last reason for global warming is fossil fuels. Fossil fuels are burned for energies. If we do not burn the fossil fuels, we will not have the global warming smoke from factories, industries and mainly nuclear plants cause global warming is not from one country but countries all over the world. Smoke needs to stop and that means no more fossil. We need to make more fuel-efficient vehicles and find other ways to make power. If we use everything the proper way, we can reduce global warming and earth will be saved.

જૂનું ઝાડુ, ટૂથબ્રશ, વળી સ્નિગ્ધ સાબુની ગોટી,
બોખી શીશી, ટિનનું ડબલું, બાલદી કૂખ કાણી,
તૂટ્યાં ચશ્માં, ક્લિપ, બટન ને ટાંકણી સોયદોરો !
લીધું દ્વારે નિત લટકતું નામનું પાટિયું,
જે મૂકી ઊંધું, સુપરત કરી, લારી કીધી વિદાય.
ઊભાં છેલ્લી નજર ભરીને જોઈ લેવા જ ભૂમિ,

જ્યાં દેવોના પરમ વર શો પુત્ર પામ્યાં પનોતો,

65. I want to become a teacher as childhood, I like teachers and want to become a teacher. Thinking back to the thirteen years. I spent in grade school in grade school preparing myself for colleges its hard to pick out one teacher than I would consider “my best teacher”. There are always teachers that stand out for some reason or another, whether it maybe of their personality, field trips they go on, or all the holiday party fun had in their class. However, the teacher that I chose deserving of the “my best teacher” award I still remember because of the care she showed to each of her students through her personality, the field trips she took us on, and the all the fun had in her class. This teacher is my first grade teacher, Mrs. Hunter. I moved to my hometown right before I entered the first grade. Going into my first year of school knowing on one was very scary, yet Mrs. Hunter made me feel like. I fit right in. she treated our class like we were apart of her family, which in turn made everyone feel at home and get along without the usual school cliques.

ભારતની ખરી દુર્બળતા તેની ગરીબાઈમાં નથી. ગરીબાઈને તો આપણે જીરવી શકીશું પણ ભારતની સૌથી કમજોર કડી છે – ધર્મઝનૂન, ઘાત-પ્રતિઘાતના રૂપમાં તેનો પડધો વધતો જઈ રહ્યો છે. કારણ કે ધર્મઝૂનનો મોટો ઢગલો તો અંતે પૂરા વળતર સાથે મતપેટીઓ છલકાવી દેવાની પ્રચંડ શક્તિ ધરાવતો થયો છે. આપણે એવી પરિસ્થિતિનું નિર્માણ કરી ચૂક્યા છીએ કે પૂરી ધર્મનિરપેક્ષતા, પૂરી કોમનિરપેક્ષતા કે પૂરી નોકરી-નિરપેક્ષતાથી ઉચ્ચ અને મહાન આદર્શો સાથે ચૂંટણી લડી શકીએ તેમ નથી. જેમ યુદ્ધમાં બધું જ કર્તવ્ય બની જાય છે તેમ ચૂંટણીમાં બધું જ આકરી શકાતું હોય છે. ચૂંટણીનો દોર મોટા ભાગે એવા લોકોના હાથમાં ચાલ્યો જતો હોય છે, જે ચોખ્ખા હાથના ના કહેવાય. ધર્મઝનૂન, કોમવાદ, ભ્રષ્ટાચાર, નોકરીવાદ અને અસામાજિકતા વગેરે મળીને નિશ્ચિત પરિણામ લાવતા હોય છે. અનિષ્ઠોનો પ્રભાવ તથા શક્તિ એટલા વધી ગયા છે કે ઇષ્ટ તત્ત્વો બિચારાં બની ગયાં છે ! - સ્વામી સચ્ચિદાનંજી

65. Remember how I constantly tell you both about the importance of making your way up i the world without waiting for your parents to pull strings ? I believe it is best for children to work hard to make their dreams come true and to not have things handed to them on platter. When you are home visiting us, Deepika, you make your own bed, clear the table after meals, and sleep on the floor if there sare guests at home. If you occasionally wonder why we refuse to treat you like a star, it is because you are our daughter first and a film star later. The cameras that follow you every where ande the arc lights will eventually fade and what will remain is the real world. Strive to generate positivity around you even though you are new and too small a player to effect a big change. You are in an industry where there's always going to be big money, but I belive that it is important to try to be the best in whaterver you do regardless of money.

✦ મુદ્દા પરથી વાર્તા લખી તેને યોગ્ય શીર્ષક આપો. [5]
